Colorado Delegate Selection Plan For the 2020 Democratic National Convention

Section I Introduction & Description of Delegate Selection Process

A. Introduction

1. Colorado has a total of 80 delegates and 6 alternates. *(Call I & Appendix B)*
2. The delegate selection process is governed by the *Charter and Bylaws of the Democratic Party of the United States*, the *Delegate Selection Rules for the 2020 Democratic National Convention* (“Rules”), the *Call for the 2020 Democratic National Convention* (“Call”), the *Regulations of the Rules and Bylaws Committee for the 2020 Democratic National Convention* (“Regs.”), the *Plan of Organization and Rules of the Colorado Democratic Party* (“CDP”), the Colorado election code (“CRS”), and this Delegate Selection Plan. *(Call II.A)*
3. Following the State Party Committee’s adoption of this Delegate Selection Plan, the State Party shall submit the Plan for review and approval by the DNC Rules and Bylaws Committee (“RBC”). The State Party Chair shall be empowered to make any technical revisions to this document as required by the RBC to correct any omissions and/or deficiencies as found by the RBC to ensure its full compliance with Party Rules. Such corrections shall be made by the State Party Chair and the Plan resubmitted to the RBC within 30 days of receipt of notice of the RBC’s findings. *(Reg. 2.5, Reg. 2.6 & Reg. 2.7)*
4. Once this Plan has been found in Compliance by the RBC, any amendment to the Plan by the State Party must be submitted to and approved by the RBC before it becomes effective. *(Reg. 2.9)*

B. Description of Delegate Selection Process

1. Colorado will use a proportional representation system based on the results of the presidential primary apportioning delegates to the 2020 Democratic National Convention. The statutory language initiated in 2016 did specify a “winner take all” result of the presidential primary but the legislature changed this during the 2019 session to allocate national convention delegate votes “in accordance with the party’s state and national rules.”

2. The “first determining step” of Colorado’s delegate selection process will occur on March 3, 2020, with a Presidential Primary election.

C. Voter Participation

1. Participation in Colorado’s presidential primary process is open to all voters who wish to participate as Democrats. (Rule 2.A and Rule 2.C.)
Participation in Colorado’s assembly & convention delegate selection process is open to all voters who have affiliated by February 14, 2020.* (REG. 4.3.C; CRS 1-201 (2) (C); 1-3-101 (1) (A))
 - a. Colorado has same-day voter registration for its Presidential Primary election which will be on March 3, 2020. (CRS 1-2-217.7) Unaffiliated voters may vote in either the Democratic or Republican primary election but not both. (CRS 1-7-201(2.3)) Persons who are affiliated with a political party may switch their affiliation to another party no later than 29 days before the primary election (February 3, 2020) if they so choose. (CRS 1-2-219) Democratic ballots will be mailed to registered Democrats. Registered Unaffiliated voters will be mailed both the Democratic and Republican ballots but may return only one (if both are returned, neither will be counted). The state voter file records which primary ballot is voted and this is part of the public record for each voter.
 - b. Colorado does allow for party registration of voters. (CRS 1-2-218.5) Registration can be done by a paper form, online and in person. (CRS 1-2-218.5(2)) Party affiliation is part of the public record of registered voters on the statewide database. (CRS 1-2-218.5(1))

State law restricts participation in Democratic Party caucuses, assemblies and conventions to registered Democrats. (CRS 1-3-101) However, unaffiliated voters are allowed to vote in a party primary without affiliating with the party. (CRS 1-7-201(2.3))

- (1) Colorado allows for party registration. (CRS 1-2-218.5)
- (2) Colorado allows Democrats and unaffiliated voters to participate in Democratic primary elections. (CRS 1-7-201(1), (2.3)) The results of the Presidential primary election will determine the allocation of delegates. (CRS 1-4-1207) Only those persons who are affiliated as Democrats may participate in the caucus process where persons desiring to be presidential delegates are selected. (CRS 1-3-101)
- (3) Colorado allows voters to affiliate with a Party on the voter registration form, on the online voter registration system, and in-person at the County Clerk’s office or at a Voter Service and Polling Center. (CRS 1-22-218.5(2)) A voter’s party affiliation is recorded in Colorado’s statewide voter registration database. (Rule 2.A & Reg. 4.3.A; CRS 1-2-218.5(1))

*Exceptions are made for newly naturalized citizens

- c. To encourage participation by youth in the delegate selection process, any individual who will have turned 18 by the date of the general election will be allowed to participate as explained below in the delegate selection. (Reg. 4.3.C)

Colorado has pre-registration for persons who are 16-17 years old. Legislation enacted in 2019 (HB19-1278) enables preregistered persons turning 18 on or before the general election (November 3, 2020) to vote in a primary election, caucus, assembly or convention and they are eligible to seek a position as a national convention delegate or alternate. The deadline to preregister or register in order to participate in the March 7 caucus is February 14, 2020. (Reg. 4.3.C; CRS 1-201 (2) (c); 1-3-101 (1) (a))

- d. At no stage of Colorado's delegate selection process shall any person be required, directly or indirectly, to pay a cost or fee as a condition for participating. Voluntary contributions to the Party may be made, but under no circumstances shall a contribution be mandatory for participation. (Rule 2.D & Reg. 4.4; CDP One III H) The Colorado Democratic Party does not charge any fees or require contributions to participate in the delegate selection process.
- e. No person shall participate or vote in the nominating process for the Democratic presidential candidate who also participates in the nominating process of any other party for the corresponding election. (Rule 2.E)
- f. Votes shall not be taken by secret ballot at any stage of the delegate selection process, including processes leading up to the selection of DNC Members or State Chairs or Vice Chairs, who serve as DNC members by virtue of their office, except that use of such voting by secret ballot may be used in a process that is the first determining step of the delegate election process and in which all individual voters who wish to participate as Democrats are eligible to do so. (Rule 2.F)
- g. No person shall vote in more than one (1) meeting which is the first meeting in the delegate selection process. (Rule 3.E & Reg. 4.7)

- 2. The state of Colorado and the Colorado Democratic party have worked to accomplish the following goals.

- a. Maintain secure and accurate state voter registration rolls, so that every eligible American who registers to vote has their personal information protected and secure. (Rule 2.H.1)

Colorado has a statewide voter registration database and has implemented heightened security requirements to ensure its integrity. (CRS 1-2-301) The Colorado Secretary of State works with the Department of Homeland Security to test the system's security on a regular basis, in addition to conducting in-state tests to attempt to breach the system. To date, the statewide voter registration database has not been

breached. Colorado participates in the Electronic Registration Information Center (ERIC) program through the Pew Charitable Trusts, and has withdrawn from the unreliable Interstate Voter Registration Crosscheck program.

- b. Implement transparent and accurate voter registration list maintenance procedures that comply with federal requirements and ensure that every eligible voter stays on the rolls. *(Rule 2.H.2)* Colorado complies with federal voter registration requirements and has eliminated all paths to cancellation or inactive status but for persons who have a formal piece of mail returned as “undeliverable,” and then who do not vote in two consecutive general elections.*(CRS 1-7.5-108.5)* Even then, the county clerk will attempt to contact the voter again to ensure that such information from the USPS is accurate. *(CRS 1-7.5-108.5)* Note also that Colorado has same-day voter registration to enable voters whose registration may have been cancelled (inadvertently or not) to register and vote up to and including on election day. *(CRS 1-2-217.7)*
- c. Promote the acquisition, maintenance, and regular replacement of precinct based optical scan voting systems. *(Rule 2.H.3)* Colorado elections are predominantly mail ballot elections with paper ballots. All registered voters receive a ballot in the mail. Voters who need to register or obtain a ballot or a replacement ballot may go to a Voter Service and Polling Center (VSPC) starting 8 days before a primary election and 15 days before the general election day. *(CRS 1-7.5-107)* In addition to paper ballots, all VSPC’s have ballot marking devices should a voter choose to vote on a screen instead of on paper. Colorado law requires all ballot marking devices to create a voter verified paper record to track all votes cast on the device. *(CRS 1-5-801)* Colorado also mandates logic and accuracy testing prior to the election on all election equipment, in addition to conducting a post-election risk-limiting audit to ensure the election results are accurate. *(CRS 1-5-617)*
- d. Ensure that any direct recording electronic systems in place have a voter verified paper record. *(Rule 2.H.4)* Colorado law requires all ballot marking devices to create a voter verified paper record to track all votes cast on the device. *(CRS 1-5-801)*
- e. Implement risk limiting post-election audits such as manual audits comparing paper records to electronic records. *(Rule 2.H.5)* Colorado law requires a risk limiting post-election audit. *(CRS 1-7-515)*
- f. Ensure that all voting systems have recognized security measures. *(Rule 2.H.6)* Colorado law mandates extensive security requirements, testing and audits to ensure the safety and security of the voting system. *(CRS 1-5-617)*
- g. Use accessible and secure voting machines that make it possible for individuals with disabilities to vote securely and privately. *(Rule 2.H.7)* In addition to mail ballots, all VSPC’s have a ballot marking device that enables persons with disabilities to vote securely and privately. *(CRS 1-5-703, 1-5-704, 1-5-705)*

3. In accordance with the Democratic Party's requirement to assess and improve participation with respect to presidential preference and the delegate selection process. (*Rule 2.1 and 2.1.1*)
- a. Expand access to voting, including by early voting, no excuse absentee, same-day voter registration, and voting by mail. (*Rule 2.1.1.a*) Colorado is a vote by mail state with same-day voter registration and early/in-person voting options at Voter Service and Polling Centers starting 8 days before the presidential primary election day (February 24, 2020). Ballots are mailed to all active registered voters no earlier than 22 days (February 10, 2020) and no later than 18 days (February 14, 2020) prior to the election. The last day for a voter to request a mail ballot is 8 days prior to the election. (*CRS 1-7.5-107 (4.5) (a) (III) (c), CRS 1-2-201(3)(b)(III)*)
 - b. Ensure that voting locations are accessible, fairly placed, and adequate in number, and have a sufficient number of voting machines. (*Rule 2.1.1.b*)

Colorado has voting by mail and in-person voting at Voter Service and Polling Centers. Counties are required to have a certain number of VSPCs based on the number of active registered voters in their county and every VSPC must be accessible for persons with disabilities; and must be sited after considering a number of factors, including access to transit, population centers, equitable distribution across the county, and use of public buildings known to electors in the county. (*CRS 1-5-102.9*) Legislation passed during the 2019 legislative session will expand the number of VSPCs required in larger counties, particularly toward the end of early voting and on election day, and will require counties to file an election plan indicating VSPC locations after considering lines in the previous election and the causes of the lines, including whether there were sufficient voting stations/machines/ballot printers etc.

- c. Speed up the voting process and minimize long lines. (*Rule 2.1.1.c*)

Colorado has voting by mail and in-person voting at Voter Service and Polling Centers. (*CRS 1-7.5-107*) Counties are required to have a certain number of VSPCs based on the number of active registered voters in their county. (*CRS 1-5-102.9*) Legislation passed during the 2019 legislative session will expand the number of VSPCs required in larger counties, particularly toward the end of early voting and on election day, and will require counties to file an election plan indicating VSPC locations after considering lines in the previous election and the causes of the lines, including whether there were sufficient voting stations/machines/ballot printers etc.

- d. Eliminate onerous and discriminatory voter identification requirements. (*Rule 2.1.1.d*)

Colorado has seventeen forms of acceptable voter identification. (*CRS 1-1-104(19.5)*)

- e. Count and include in the final total ballots from voters who are eligible to vote but cast their ballots in the wrong precinct, for offices for which they are eligible to vote. *(Rule 2.1.1.e)*

Colorado has vote centers and voters inside a county may vote either by mail or at any Voter Service and Polling Center in their county. *(CRS 1-7.5-107)* All VSPCs must be able to provide ballot styles for all races in the county so that voters are able to obtain a ballot with the correct races. *(CRS 1-7.5-107)* Colorado voters who vote in person outside their resident county are provided ballots listing statewide federal and state candidates and statewide ballot issues. *(CRS 1-7-110 (5))* Counties are required by law to deliver mail ballots delivered to the wrong county to the correct county so that they can be counted.

- f. Facilitate military and overseas voting. *(Rule 2.1.1.f)*

Colorado has rigorous laws and rules to follow the federal UOCAVA guidelines for military and overseas voting and allows such voters to receive and return ballots in a variety of secure methods. Any county that misses the deadline to send UOCAVA ballots to military and overseas voters is placed on a compliance plan to ensure future compliance. *(CRS 1-8.3-101 et seq.)*

- 4. As part of encouraging participation in the delegate selection process by registered voters, Colorado is promoting the following. *(Rule 2.1.2)*

- a. Voter registration modernization, including online voter registration and automatic and same-day registration. *(Rule 2.1.2.a)*

Colorado has on-line voter registration, automatic voter registration via the Department of Revenue driver's license offices, and same-day registration. *(CRS 1-2-202.5)*

- b. Pre-registration of high school students so that they are already registered once they reach voting age. *(Rule 2.1.2.b)*

Colorado has pre-registration for 16-17 year-olds and those individuals who are pre-registered will automatically receive a mail ballot in the first election and thereafter upon reaching the age of 18. *(CRS 1-2-101(2))* Preregistered persons turning 18 on or before the general election are able to vote in a primary or presidential primary election leading to that general election.

- c. Restoration of voting rights to all people who have served the time for their criminal conviction, without requiring the payment of court fees or fines. *(Rule 2.1.2.c)*

Colorado permits persons who have been convicted of a felony but who are no longer incarcerated to register to vote even if serving a sentence of parole. *(CRS 1-2-103(4))*

- d. Same-day or automatic registration of voters for the Democratic presidential nominating process. (*Rule 2.1.2.d*)

Colorado has same-day registration for its Presidential primary election and the automatic voter registration system via the Department of Revenue driver's license offices. (*CRS 1-4-1203*)

5. Colorado has a hybrid approach with the reinstatement of a presidential primary starting in 2020 but the retention of the caucus and convention and assembly process for delegate selection. Colorado law allows unaffiliated voters to vote in all primary elections, including presidential elections. (*CRS 1-4-1203*) Unaffiliated voters may also affiliate up to and including on primary election day. (*CRS 1-7-201(1), (2.3)*)

Persons who are already affiliated with a political party may change their affiliation to another party so long as they do so 29 days before primary election day. (*CRS 1-2-219*)

To participate in caucus, persons must be a resident of their precinct and affiliated with the Colorado Democratic Party at least 22 days before the caucus date, however, for persons who have been inadvertently left off the voter lists supplied by the county in advance of the caucus, or electors who have confidential voter status, may participate in caucus by means of an affidavit stating that they meet the caucus eligibility requirements. Their registration status and eligibility to caucus must be confirmed by the county party prior to their participation in any future assembly or convention. (*Rule 2.J and Rule 2.J.1; CRS 1-3-101*)

6.
 - a. All official Party meetings and events related to the national convention delegate selection process, including caucuses, conventions, committee meetings, filing dates, and Party enrollment periods, shall be scheduled for dates times and publicly accessible places, which would be most likely to encourage the participation of all Democrats, and must begin and end at reasonable hours. (*Rule 3.A*)
 - b. It shall be the responsibility of the State Party to select the dates, times and to locate and confirm availability of publicly accessible facilities for all official meetings and events related to the national convention delegate selection process. These responsibilities are delegated to county parties or to county party chairs who shall act as agents of the State Party. (*Rule 3.A*)
 - c. Scheduling of meetings related to the delegate selection process shall consider any religious observations that could significantly affect participation. This was done prior to scheduling precinct caucuses for a Saturday afternoon and the state assembly and convention for a Saturday. (*Reg. 4.5.B*)

Section II

Presidential Candidates

A. Ballot Access

Presidential candidates can access the presidential primary ballot under the provisions of Colorado Revised Statutes 1-4-1204 (1) as amended by the legislature during the 2019 session.

(1) Not later than sixty days before the presidential primary election, the secretary of state shall certify the names and party affiliations of the candidates to be placed on any presidential primary election ballots. The only candidates whose names shall be placed on ballots for the election shall be those candidates who:

(a) Are seeking the nomination for president of a political party as a bona fide candidate for president of the United States pursuant to political party rules and are affiliated with a major political party that received at least twenty percent of the votes cast by eligible electors in Colorado at the last presidential election; and

(b) Have submitted to the secretary, not later than eighty-five days before the date of the presidential primary election (December 9, 2019), a notarized candidate's statement of intent together with either a nonrefundable filing fee of five hundred dollars or a petition signed by at least five thousand eligible electors affiliated with the candidate's political party who reside in the state.

CRS 1-4-801 (6) provides that a presidential candidate can start circulating a petition on the first Monday in November of the year preceding the presidential primary.

The "Uncommitted" preference can appear on the presidential primary under the provisions of CRS 1-4-1204 (3). (*Rule 11.C, Rule 14.A, Rule 14.C, Rule 14.D, Rule 14.E, & Rule 15.H*)

Except as otherwise prohibited by political party rules, the state chairperson of a political party may request the secretary to provide a place on the primary ballot for electors who have no presidential candidate preference to register a vote to send a noncommitted delegate to the political party's national convention. To be valid, this request must be received by the secretary of state no later than seventy days before the presidential primary election (December 24, 2019).

The Colorado Secretary of State has published a "Presidential Primary 2020 Candidate Qualification Guide" on its website

<https://www.sos.state.co.us/pubs/elections/Candidates/packets/PresidentialPrimaryGuide2020.pdf> with instructions and forms.

The dates established by state statutes violate Rule 12.B and Rule 15.E waivers of these rules have been requested and received from the Rules and By-Laws Committee of the Democratic National Committee.

B. Other Requirements

1. Each presidential candidate shall certify in writing to the State Democratic Chair, the name(s) of their authorized representative(s) by January 6, 2020. *(Rule 13.D.1)*
2. Each presidential candidate (including uncommitted status) shall use their best efforts to ensure that their respective delegation within the state delegation achieves the affirmative action, outreach and inclusion goals established by this Plan and is equally divided between men and women. *(Rule 6.I)*

Section III

Selection of Delegates and Alternates

A. Assemblies and Conventions

1. Parallel Systems

- a. At all levels of the Colorado delegate selection process after precinct caucuses, two separate but parallel systems—the assembly and the convention—are dealt with simultaneously. The function of the assembly process is to designate candidates (other than Presidential) for nomination by the state primary election held on June 30, 2020. The function of the convention process is to elect delegates to the Democratic National Convention. The number of delegates for assemblies and conventions shall be the same for a given political division (county, congressional district, or state).
- b. Although the persons selected as delegates to a convention are often also selected as delegates to an assembly, the delegates to both need not be the same persons.

2. Assembly Preference Polls and Delegate Allocation in General

- a. At each step of the assembly U.S Senate delegate selection process, a candidate preference poll shall be taken and delegates and alternates (if any) apportioned on the basis of fair reflection of candidate support.
- b. In the event there is a potential primary situation (i.e., more than one candidate for the primary designation), in any statewide race, a preference poll based on the highest such race must be taken at the precinct caucus for the election of delegates to the county assembly and at the county assembly for the election of delegates to the state assembly. In 2020, that race will be the US Senate race.

- c. In the event there is a potential primary situation (i.e., more than one candidate for the primary designation), in any office designated by a multi-county district (legislative, judicial or congressional) assembly, a preference poll on the highest such race must be taken at the county assembly for the election of delegates to the district assembly.
- d. “Uncommitted” shall be an acceptable candidate preference at any step of the assembly U.S. Senate delegate selection process.
- e. There shall be a 15% threshold at each level of the assembly process. “Threshold” is defined as the percentage of votes a preference must receive in order to be allocated delegates. (*Rule 12B*)
- f. In all situations where no preference (including “uncommitted”) reaches a 15% threshold, the threshold shall be half the percentage of the vote received by the front-runner. (*Rule 14.F*)
- g. A calculation schedule (the Math Work Sheet), prepared under the direction of the state chair and made available to the caucus, shall be used to compute the proper allocation of delegates to each preference group.
- h. Those persons who supported a candidate (including “uncommitted”) that did not meet the threshold requirement to elect a delegate to a higher level may then participate in one of the other groups selecting delegates.

3. Convention Delegate Allocation in General

- a. No presidential preference polls will be taken at any step of the convention delegate selection process. The allocation of national convention delegates (and alternates) to candidate preference groups will be based on the results of the Colorado Presidential primary election held on March 3, 2020.
- b. The 15% threshold shall apply at each step in the convention delegate selection process where delegates are allocated to presidential preference groups.
- c. A calculation schedule (the Math Work Sheet), prepared under the direction of the state chair and made available to the caucus, shall be used to compute the proper allocation of delegates to each preference group.
- d. Delegates from the county convention to the congressional district convention will be based on the available congressional district results of the presidential primary until March 16, 2020. After March 16, 2020, delegates from the county convention to the congressional district convention will be based on the certified congressional district

results of the presidential primary. State party staff will compute the candidate preference allocations for each county and convey that information to the county chairs. All counties will use the same preference percentages based on the presidential primary results, although the number of delegates will vary among the counties.

- e. Delegates from the county convention to the state convention will be based on the available statewide results of the presidential primary until March 16, 2020. After March 16, 2020, delegates from the county convention to the state convention will be based on the certified statewide results of the presidential primary. State party staff will compute the candidate preference allocations for each county and convey that information to the county. All counties will use the same preference percentages based on the presidential primary results, although the number of delegates will vary among the counties.

4. Alternates to County, District and State Assemblies and Conventions

- a. The election of alternates to assemblies and conventions in previous years has resulted in a significant number of people who made the effort to attend district and state assemblies and conventions but were unable to participate or vote. Eliminating alternates allows for a larger number of delegates (since seating is not required for alternates) and thus more participation in these party meetings.

The state central committee has determined that no alternates will be elected to multi-county house district, multi-county senate district, multi-county judicial district, congressional district or the state assemblies and conventions. Instead of alternates, proxies will be used (refer to section 5 on proxies below). Alternates will be elected from the State Convention to the National Convention pursuant to Rule 11.B.

- b. The county central or executive committee may allow any precinct caucus within the county (or any preference group therein) to elect alternates to the county assembly/convention, but alternates are not required. Not more than one alternate shall be elected for each delegate. The county party may choose to use proxies instead of alternates but shall not do both (refer to section 5 on proxies below). (*CDP Four-III-F*)
- c. If a county allows alternates, those alternates can be elected either by:
 - (1) Selecting those persons with the next highest vote totals on the same ballot as selected the delegates; or
 - (2) By a separate ballot for alternate positions (*CDP Three-III-H*)

- d. Alternates, if used by counties, shall be seated in the following order:
 - (1) First, any alternate specifically elected as an alternate to a specific delegate who is absent;
 - (2) Second, an alternate shall be seated from the same candidate preference group as the absent delegate;
 - (3) When present, the elected delegate automatically replaces any alternate seated during the time the delegate was absent from the floor of the assembly or convention.

5. Use of Proxies in Assemblies and Conventions

- a. Colorado will allow proxies in the assembly and convention process for the 2020 election cycle, except that no proxy voting will be allowed in the precinct caucus. The use of both alternates and proxies at the county assembly and convention is prohibited. Only one or the other is allowed. *(CDP Two III D 5; CDP Three III H; CDP Four III D 6 & 7; Rule 2.K.8)*
- b. The state central committee has determined that delegates to a multi-county house district assembly, a multi-county senate district assembly, a multi-county judicial district assembly, a congressional district assembly or convention or to the state assembly or convention may be replaced by a proxy if they are unable to attend.
- c. Proxy forms must be written and signed, and may be designated with instructions how to vote. The candidate preference (for both assembly and convention, as applicable) of the person being replaced by the proxy should be noted.
- d. A proxy may be issued by a delegate who:
 - (1) is unable to attend the assembly or convention; or
 - (2) registered attendance at the assembly or convention, but who must leave before the meeting concludes.
- e. Proxies will be managed by the registration or credentialing staff of the appropriate assembly or convention and assigned to someone of the same candidate preference.

6. Precinct Caucuses

- a. A Democratic caucus will be held for each precinct in Colorado on Saturday, March 7, 2020. All precinct caucuses in the state will meet at the same time, 2:00 pm. *(Rule 3.B)*

- b. The times, dates, places and rules for the conduct of the caucuses shall be effectively publicized by the county central committee to encourage the participation of all Democrats. *(Rule 3A, 3C)* The location and times of each caucus will be publicized by the county party in local media. In addition, state law requires that all places holding a precinct caucus must have a sign conspicuously posted for 12 days prior to the caucus. *(CDP Three II A, Rule 3 B, CRS 1-4-602(4)(a))*
- c. ` shall be determined by the county central committee through a formula using as criteria Democratic voting strength and any other factors the central committee considers appropriate. Each precinct is entitled to a minimum of two (2) delegates. *(CDP Three III E)*
- d. Fair Reflection of Assembly Candidate Preference
 - (1) Before electing delegates to the county assembly a poll shall be taken at the caucus among the eligible participants as to their respective preferences (including uncommitted preference) for the designated contested statewide office (US Senate).
 - (2) If there is no contested race for statewide office, the county central committee may designate some countywide race. If the county central committee does not decide on such a race for the preference poll, the precinct caucus may determine one. The precinct caucus may use multiple layered preference polls, if decided upon by a vote of the caucus, provided that fair reflection of candidate preference at every level of such multiple preference polls is maintained. If no assembly preference polls are required, assembly delegates shall be elected without preference designation.
- e. Any person desiring to contest or dispute any matter in the caucus delegate selection process must file a written statement with the county chair within seven (7) days following the caucus. The credentials committee for the county assembly and convention will consider any such challenges. *(CDP Three VI B 3 b ii)*

7. County Assemblies and Conventions

- a. Counties will hold a combined assembly and convention comprised of the delegates elected from the precinct caucuses within the county based on the assembly preference poll. These delegates will vote on assembly and convention matters as needed. Delegates voting for convention delegates to the congressional district convention and to the state convention will divide into designated candidate preference groups and vote for delegates supporting that preference.
- b. County Assemblies and Conventions must be held no later than 25 days following the precinct caucus, that is by April 1, 2020. *(CRS 1-4-602-1(a))*

- c. The time, date and location of the county assembly and convention will be established by the county central committee and publicized in local media and by notice to each delegate and alternate (if any). Such notice must be either delivered to the delegates and alternates at the precinct caucus or sent by mail or electronically (email or text message) at least ten (10) days prior to the date of the county assembly and convention. *(CDP Four I B 2)*
- d. A county that is small enough in both geography and population that all of the precinct caucuses in that county can meet at the same location may hold the precinct caucus and the county assembly and convention at the same meeting. To meet the ten day notice requirement for the county assembly and convention, a notice must be given to eligible Democrats ten days before the precinct caucus giving notice of both the caucus and the county assembly and convention. The election for precinct committeepersons will be done by precinct groups. The designation of county candidates and the election of delegates to higher levels will be done by the full county group (breaking into candidate preference groups, if necessary).
- e. Election of Delegates to Legislative, Judicial and Congressional Assemblies and Conventions.
 - (1) The number of delegates to be elected by the county assembly to a multi-county legislative or judicial district assembly shall be determined prior to February 1, 2020, by the state party by the application of the same formula (adjusted to the political subdivisions involved) as used in the allocation of state assembly and convention delegates among the counties, provided that each county is entitled to a minimum of two (2) delegates. The delegates to such assemblies shall be selected from among the members of the county assembly who reside within the respective districts. *(CDP Three II D)*
 - (2) The number of delegates to be elected from the county assembly to the congressional district assembly and from the county convention to the congressional district convention shall be the same and shall be determined prior to February 1, 2020, by each respective congressional district central committee by the application of the same formula (adjusted to the political subdivisions involved) as used in the allocation of state assembly and convention delegates among the counties, provided that each county is entitled to a minimum of two (2) delegates. *(CDP Three II D)*
 - (a) The delegates to a congressional district assembly shall be selected from among the members of the county assembly who reside within the congressional district (breaking into candidate preference groups if needed to satisfy fair reflection requirements).

- f. Election of Delegates to the State Assembly and Convention
 - (1) The number of delegates to be elected by the county assembly to the state assembly and by the county convention to the state convention shall be the same and shall be determined prior to February 1, 2020, by the application of a formula giving equal weight to (1) the vote for the Democratic candidate in the 2016 presidential election and (2) the vote for the Democratic candidate in the 2018 gubernatorial election. Each county is entitled to a minimum of four (4) delegates to the state assembly and convention. *(CDP Three Article III-D)*
 - (2) The delegates for the state assembly are selected from among the members of each respective county assembly (breaking into candidate preference groups if needed to satisfy fair reflection requirements).
 - (3) The delegates for the state convention are selected from among the members of each respective county convention (breaking into candidate preference groups if needed to satisfy fair reflection requirements).
- g. Election by Units Smaller Than the County
 - (1) In counties with election districts, the members from each such district may elect a proportionate share of the delegates to a higher level by procedures established by the county. *(CDP Three-IV-C-1)*
 - (2) If authorized by the county central committee, delegates to higher level assemblies and conventions may be provisionally elected at precinct caucuses, subject to the approval of the county assembly and convention. The requirements for fair reflection and equal division shall be enforced at the county assembly and convention on the full delegation to the higher level and must comply with state party and DNC rules. *(CDP Three Article II F)*
- h. Equal division between delegate men and delegate women in the congressional district assembly, the congressional district convention, the state assembly, the state convention and any other multi-county assembly delegations is required. Refer to Section B 7 below for guidance on accommodating non-binary gender self identification.
- i. County chairs shall encourage the county assembly and convention to seek fair representation of demographics in the selection of delegates to higher level assemblies and conventions. *(CDP One III E)*

j. Challenges

- (1) Any person desiring to contest the selection of a delegate to the state assembly or state convention on the basis of eligibility must give notice in writing to the state chair within ten (10) days after the date of the county assembly and convention. The state assembly and convention credentials committee will consider the challenge. The credentials committee will offer the challenger and the challenged delegate the opportunity to be heard and to offer evidence and will thereafter prepare a report to the state assembly and convention for consideration and action.
- (2) The same process applies to any challenge of a delegate to any other multi-county district assembly or convention with the notice going to appropriate district chair (within ten (10) days after the county assembly and convention and at least three (3) days prior to the district assembly or convention) for consideration by the credentials committee of the district assembly and convention.
- (3) Each jurisdiction holding an assembly or an assembly and convention shall have a credentials committee. Unless another process is in place, the appropriate district chair shall appoint members of the credentials committee in a timely manner so that any challenges can be considered and resolution proposed prior to the convening of the assembly or convention.

B. Congressional District-Level Delegates to the National Convention

1. **Colorado is allocated 44 congressional district-level delegates.** (*Rule 8.C, Call I.B, I.I, & Appendix B*)
2. **Congressional district-level delegates to the national convention shall be elected by congressional district conventions.**

Colorado will hold a presidential primary on March 3, 2020, the results of which will determine the allocation for national convention delegates among presidential candidates.

A precinct caucus will be held on Saturday, March 7, 2020, to elect delegates to a county assembly/convention (held between March 7 and April 1 of 2020). County conventions will elect delegates to the congressional district conventions (held between April 2, 2020, and April 17, 2020). Any registered Democrat may participate if they have been a resident of the precinct, registered and affiliated with the Democratic Party at least 22 days before the caucus. This 22 day deadline is set by state law and is different from the 29 day deadline to switch parties in order to vote in a primary election, also set by state law. Results of the

caucuses and county conventions (specifically the delegates elected) will be reported immediately to the county party chair and entered into the state party database.

3. Apportionment of Congressional District-Level Delegates to National Convention

- a. Colorado’s congressional district-level delegates are apportioned among the districts based on a formula giving equal weight to the vote for the Democratic candidates in the 2016 presidential and the 2018 gubernatorial elections.-(*Rule 8.A, Reg. 4.12, Reg. 4.11 & Appendix A Formula 2*)

This method reflects the fairest measure of the actual Democratic electorate in Colorado—that is, the people who actually vote for top candidates.

- b. The number of men and the number of women in the state’s total number of district-level delegates and alternates will not vary by more than one. A gender non-binary candidate may be elected to either a male or female designated position but shall not be counted in either the male or female category. (*Rule 6.C.1 & Reg. 4.9*)
- c. The congressional district-level delegates are apportioned to districts as indicated in the following table.

District	Delegates		
	Males*	Females*	Total
#1	5	4	9
#2	4	5	9
#3	3	2	5
#4	2	3	5
#5	2	2	4
#6	3	3	6
#7	3	3	6
Total	22	22	44

**(If no gender non-binary delegates are elected.)*

- d. Colorado party rules require that delegates from the precinct caucus to the county convention be allocated on the basis of Democratic voting strength and other factors the county may include. Usually, this is based on the number of registered Democratic voters in each precinct. The number of delegates each county elects to the congressional district conventions and the state convention are allocated based on the votes for the party’s last presidential and gubernatorial general election candidates. (*Rule 8.B; CDP Three II D*)

4. Filing Requirements for Congressional District-Level Delegates to the National Convention

- a. A congressional district-level delegate candidate may run for election only within the district in which they are registered to vote and be registered as a Democrat no later than February 14, 2020. State party staff will verify the registration and affiliation status of persons filing to become national convention delegates and alternates. Persons not listed on the public voter file must also file a certification of their registration status. *(Rule 13.H)*
- b. An individual can qualify as a candidate for congressional district-level delegate to the 2020 Democratic National Convention by filing a statement of candidacy designating their singular presidential (or uncommitted) preference and a signed pledge of support for the presidential candidate (including uncommitted status) with the State Party by 5:00 pm Monday, March 23, 2020. Application forms will be provided by the State Party on its website or at the office no later than Monday, January 6, 2020, and must be completed in total by the applicant and signed by the applicant. Forms may be submitted by US mail, email to dsp2020@coloradodems.org or in person. The physical and mailing address is 789 Sherman Street, Suite 110, Denver CO 80203. The state party will acknowledge receipt of submitted forms by email, mail or phone in a timely manner. A list of national convention delegate candidates will be posted on the state party website as the forms are submitted and updated daily or as needed. Forms received before January 6, 2020, or after the due date and time will not be accepted (postmarks and date or time stamps do not indicate receipt) and their names will not appear on the printed ballot. A delegate candidate may modify their singular presidential preference by submitting an updated pledge of support no later than the filing deadline. *(Rule 13.B, Rule 15.F & Reg. 4.23)*
- c. A delegate candidate may file for more than one or all of the categories of delegate selection: district level, pledged party leader and elected official, at-large delegates and alternates. The first election shall prevail.

5. Presidential Candidate Right of Review for Congressional District-Level Delegates

- a. The State Democratic Chair shall convey to the presidential candidate(s), or that candidate's authorized representative(s), not later than Friday, March 27, 2020, at 5:00 pm, a list of all persons who have filed for congressional district level national convention delegate pledged to that presidential candidate. *(Rule 13.D & Rule 13.F)*
- b. Each presidential candidate, or that candidate's authorized representative(s), is requested to file with the State Democratic Chair by 5:00 pm on Tuesday March 31, 2020, a list of all such national delegate candidates they have approved, provided that approval is given to at least three (3) separate individuals for each position for delegate to be selected. *(Rule 13.E.1, Reg. 4.24 & Reg. 4.25)*

- c. Failure to respond will be deemed approval of all delegate candidates submitted to the presidential candidate unless the presidential candidate, or the authorized representative(s), signifies otherwise in writing to the State Democratic Chair not later than 5:00pm on Tuesday, March 31, 2020.
- d. National convention delegate candidates removed from the list of bona fide supporters by a presidential candidate, or that candidate's authorized representative(s), may not be elected as a delegate at that level pledged to that presidential candidate. *(Rule 13.E & Reg. 4.24)*
- e. The State Democratic Chair shall certify in writing to the Co-Chairs of the DNC Rules and Bylaws Committee whether each presidential candidate has used their best efforts to ensure that their respective congressional district-level national delegate candidates meet the affirmative action and outreach and inclusion considerations and goals detailed in the Affirmative Action section of this Plan within three (3) business days of returning the list of approved district-level delegate candidates as indicated in Section III.A.5.b of this Plan. *(Rule 6.I & Reg.4.10.C)*

6. Fair Reflection of Presidential Preference

- a. Presidential Primary - Proportional Representation Plan. *(Rule 14.A, Rule 14.B & Rule 14.D)*

The Colorado presidential primary election is a "binding" primary. Accordingly, delegate and alternate positions shall be allocated so as to fairly reflect the expressed presidential (or uncommitted) preference of the primary voters in each congressional district. The National Convention delegates selected at the congressional district level shall be allocated in proportion to the percentage of the primary vote won in that district by each preference, except that preferences falling below a 15% threshold shall not be awarded any delegates or alternates.

- b. Within a congressional district, if no presidential preference reaches a 15% threshold, the threshold shall be half the percentage of the vote received in that district by the front-runner. *(Rule 14.F)*
- c. Colorado has a tiered caucus and convention system as explained in Section A above.

At county assembly/conventions, delegates will divide into presidential candidate preference groups and elect the allotted number of delegates to the congressional or state convention for that preference.

At congressional district and the state conventions, national convention delegates pledged to a presidential preference will be elected by congressional district or state convention delegates who sign a statement of support for that presidential candidate. This may be done by signing and indicating a preference at registration, by signing a statement printed on the ballot, or by signing a separate printed statement. *(Rule 13 G)*

7. Equal Division of Congressional District-Level Delegates

To ensure the district level delegates are equally divided between men and women (determined by gender self-identification) the gender advantage of delegate positions within each district will be designated by presidential preference beginning with the highest vote-getting presidential preference. This assignment of gender advantage to delegate positions will continue with the next highest vote-getting preferences in descending order, with gender advantage assigned as either male or female alternating by gender as mathematically practicable, until the gender advantage of each position has been assigned. In the case of non-binary gender delegates, they may be elected to any position, regardless of pre-designated advantage, provided they have received more votes than the person who would otherwise be elected to such position. A gender non-binary candidate so elected shall not be counted in either the male or female category. (Rule 6.C., Rule 6.C.1 & Reg. 4.10)

Pre-Designated Gender of Each District Delegate Slot

	CD 1	CD 2	CD 3	CD 4	CD 5	CD 6	CD 7
Delegate 1	Male	Female	Male	Female	Male	Female	Male
Delegate 2	Female	Male	Female	Male	Female	Male	Female
Delegate 3	Male	Female	Male	Female	Male	Female	Male
Delegate 4	Female	Male	Female	Male	Female	Male	Female
Delegate 5	Male	Female	Male	Female	--	Female	Male
Delegate 6	Female	Male	--	--	--	Male	Female
Delegate 7	Male	Female	--	--	--	--	--
Delegate 8	Female	Male	--	--	--	--	--
Delegate 9	Male	Female	--	--	--	--	--

Note: A gender non-binary person may run for and be elected to any of the positions designated for male or female but will not be counted in either category.

Overlaying the Non-Binary Gender Identification

With pre-designated gender slots, the winners are not the delegate candidates with the most votes but rather the highest vote getting delegate candidates of the appropriate gender.

For the first time, in 2020, the Democratic Party is accommodating non-binary gender self-identification. This means that a delegate candidate might not identify as either male or female. In case one such person was the highest vote getter for a given slot that person is elected and the remaining delegates are split as equally as possible between men and women.

If several non-binary persons are elected as delegates among all the possible different ballots they should replace male and female delegate slots as equally as possible. The intent is that no matter how many of the 44 district delegates identify as non-binary, the remaining delegates are divided as equally as possible between men and women.

8. The State Democratic Chair shall certify in writing to the Secretary of the Democratic National Committee (DNC) the election of the state's congressional district-level delegates to the Democratic National Convention within 10 days after their election. (*Rule 8.C & Call IV.A*)

C. Automatic Delegates to the National Convention

1. Automatic Party Leaders and Elected Officials

- c. The certification process for the Automatic Party Leader and Elected Official delegates is as follows:
 - (1) Not later than March 6, 2020, the Secretary of the Democratic National Committee shall officially confirm to the State Democratic Chair the names of the Automatic delegates who legally reside in Colorado. (*Rule 9.A*)
 - (2) Official confirmation by the Secretary shall constitute verification of the Automatic delegates from the categories indicated above. (*Call IV.B.1*)
 - (3) The State Democratic Chair shall certify in writing to the Secretary of the DNC the presidential preference of the state’s Automatic delegates 10 days after the completion of the State’s Delegate Selection Process. (*Call IV.C*)
2.  - (2) Any alternate permanently replacing a delegate shall be of the same presidential preference (including uncommitted status) and gender of the delegate they replace, and to the extent possible shall be from the same congressional district within the state as the delegate.

- (a) In the case where the presidential candidate has only one (1) alternate, that alternate shall become the certified delegate.
 - (b) If a presidential candidate has only one (1) alternate, and that alternate permanently replaces a delegate of a different gender, thereby causing the delegation to no longer be equally divided, the delegation shall not be considered in violation of Rule 6.C. In such a case, notwithstanding Rule 19.D.2, the State Party Committee shall, at the time of a subsequent permanent replacement, replace a delegate with a person of a different gender, in order to return the delegation to equal division of men and women. *(Reg. 4.36)*
- (3) If a delegate or alternate candidate who has been elected but not certified to the DNC Secretary resigns, dies, or is no longer eligible to serve, they shall be replaced, after consultation with the State Party, by the authorized representative of the presidential candidate to whom they are pledged. *(Rule 19.D.2)*
- a. Temporary Replacement of a National Convention Delegate: *(Rule 19.D.4)*
 - (1) A temporary replacement occurs when a delegate is to be absent for a limited period of time during the convention and an alternate temporarily acts in the delegate's place.
 - (2) Any alternate who temporarily replaces a delegate must be of the same presidential preference (including uncommitted status) as the delegate they replace, and to the extent possible shall be of the same gender and from the same political subdivision within the state as the delegate.
 - b. The following system will be used to select permanent and temporary replacements of delegates: The alternate who receives the highest number of votes becomes the delegate. *(Rule 19.D.1)*
 - c. Certification of Replacements Before the National Convention
 - (1) Any alternate who permanently replaces a delegate shall be certified in writing to the Secretary of the DNC by the State Democratic Chair. *(Rule 19.D.3)*
 - (2) Permanent replacement of a delegate (as specified above) by an alternate and replacement of a vacant alternate position shall be certified in writing by the Colorado Democratic Chair to the Secretary of the Democratic National Committee within three (3) days after the replacement is selected. *(Call IV.D.1)*

- (3) Certification of permanent replacements will be accepted by the Secretary up to 72 hours before the first official session of the Convention is scheduled to convene. *(Call IV.D.1 & Reg. 4.35)*
 - (4) In the case where a pledged delegate is permanently replaced after 72 hours before the time the first session is scheduled to convene or, in the case where a pledged delegate is not on the floor of the Convention Hall at the time a roll call vote is taken, an alternate may be designated (as specified above) to cast the delegate's vote. In such case, the Delegation Chair shall indicate the name of the alternate casting the respective delegate's vote on the delegation tally sheet. *(Call IX.F.3.e, Call IX.F.3.c & Reg. 5.6)*
 - d. A vacant alternate position shall be filled by the part of the delegation that is pledged to the same candidate preference as the alternate being replaced. The replacement shall be of the same presidential preference (or uncommitted status), of the same gender and, to the extent possible, from the same political subdivision as the alternate being replaced. *(Rule 19.E)*
2. Automatic delegates shall not be entitled to a replacement, nor shall the state be entitled to a replacement, except under the following circumstances: *(Call IV.D.2 & Reg. 4.37)*

In the event of changes or vacancies in the state's Congressional Delegation, following the official confirmation and prior to the commencement of the National Convention, the DNC Secretary shall recognize only such changes as have been officially recognized by the Democratic Caucus of the U.S. House of Representatives or the Democratic Conference of the U.S. Senate. In the event of a change or vacancy in the state's office of Governor, the DNC shall recognize only such changes as have been officially recognized by the Democratic Governors' Association. *(Call IV.D.2.a)*
 - b. Members of the Democratic National Committee shall not be entitled to a replacement, nor shall the state be entitled to a replacement, except in the case of death of such delegates. In the case where the state's DNC membership changes following the DNC Secretary's official confirmation, but prior to the commencement of the 2020 Democratic National Convention, acknowledgment by the Secretary of the new DNC member certification shall constitute verification of the corresponding change of Automatic delegates. *(Call, IV.D.2.b)*
 - c. Automatic distinguished Party Leader delegates allocated to the state pursuant to Rule 9.A.(5), shall not be entitled to name a replacement, nor shall the state be entitled to name a replacement. *(Call IV.D.2.c)*

Section IV

Selection of National Convention Standing Committee Members

A. Introduction

1. Colorado has been allocated three (3) members on each of the three (3) standing committees for the 2020 Democratic National Convention (Credentials, Platform and Rules), for a total of 9 members. *(Call VII.A & Appendix D)*
2. Members of the Convention Standing Committees need not be delegates or alternates to the 2020 Democratic National Convention. *(Call VII.A.3)*
3. These members will be selected in accordance with the procedures indicated below. *(Rule 1.G)*

B. Temporary Standing Committee Members

Due to the selection of permanent standing committee members in April, this Delegate Selection Plan does not provide for the selection of temporary members.

C. Standing Committee Members for the National Convention

1. **Selection Meeting**
 - a. The members of the standing committees shall be elected by a quorum of Colorado's National Convention delegates, at a meeting to be held on April 25, 2020. *(Call VII.B.1)*
 - b. All members of the delegation shall receive adequate notice of the time, date and place of the meeting to select the standing committee members. *(Call VII.B.1)*
2. **Allocation of Members of the Standing Committees of the National Convention**
 - a. The members of the standing committees allocated to Colorado shall proportionately represent the presidential preference of all candidates (including uncommitted status) receiving the threshold percentage used in the state's delegation to calculate the at-large apportionment pursuant to Rule 14.E. of the Delegate Selection Rules. *(Call VII.C.1 & Reg. 5.9)*

- b. The presidential preference of each candidate receiving the applicable percentage or more within the delegation shall be multiplied by the total number of standing committee positions allocated to Colorado. If the result of such multiplication is not equal to 0.455 or above, the presidential preference in question is not entitled to representation on the standing committee. If the result of such multiplication is 0.455 but less than 1.455, the presidential preference is entitled to one (1) position. Those preferences securing more than 1.455 but less than 2.455 are entitled to two (2) positions, etc. *(Call VII.C.2)*
- c. Where the application of this formula results in the total allocation exceeding the total number of committee positions, the presidential candidate whose original figure of representation is farthest from its eventual rounded-off total shall be denied that one (1) additional position. Where the application of this formula results in the total allocation falling short of the total number of committee positions, the presidential candidate whose original figure of representation is closest to the next rounding level shall be allotted an additional committee position. *(Call VII.C.3)*
- d. Standing committee positions allocated to a presidential candidate shall be proportionately allocated, to the extent practicable, to each of the three (3) standing committees. When such allocation results in an unequal distribution of standing committee positions by candidate preference, a drawing shall be conducted to distribute the additional positions. *(Call VII.C.4)*

3. Presidential Candidate Right of Review National Convention Standing Committee members

- a. Each presidential candidate, or that candidate's authorized representative(s), shall be given adequate notice of the date, time and location of the meeting of the state's delegation authorized to elect standing committee members. *(Call VII.D.1)*
- b. Each presidential candidate, or that candidate's authorized representative(s), must submit to the State Democratic Chair, by 5:00 pm on April 22, 2020, a minimum of (1) name for each slot awarded to that candidate for members of each committee. The delegation shall select the standing committee members from among names submitted by the presidential candidates (including uncommitted status). Presidential candidates shall not be required to submit the name of more than one (1) person for each slot awarded to such candidate for members of standing committees. *(Call VII.D.2)*

4. Selection Procedure to Achieve Equal Division of National Convention Standing Committee Members

- a. Presidential candidates (including uncommitted status) shall use their best efforts to ensure that their respective delegation of standing committee members shall achieve

Colorado’s affirmative action, outreach and inclusion goals and that their respective male and female members are equally divided between the men and women determined by gender self-identification. *(Rule 6.1 & Reg. 4.10)*

- b. In Colorado, presidential candidates are likely to be allocated only one of the three positions on a standing committee. Therefore, the standing committee slots are pre-designated for gender identity as in the following table:

	Credentials Committee	Platform Committee	Rules Committee
Member #1	Female	Male	Female
Member #2	Male	Female	Male
Member #3	Female	Male	Female
Total	3	3	3

The first binary gender position on each standing committee shall be assigned by binary gender as self-identified. For example, the first binary position on the Credentials Committee of the presidential candidate with the most standing committee positions shall be designated for a female, and the next binary position, if one occurs, will be designated for a male and the remaining binary positions, to the extent they occur, shall be designated in like fashion, alternating between females and males, where applicable. For avoidance of doubt: there is no requirement that positions be assigned to gender non-binaries but the described alternation of binary genders may not be used to exclude a gender non-binary from consideration for a committee position. Positions for presidential candidates on each committee shall be ranked according to the total number of standing positions allocated to each such candidate. After positions on the Credentials Committee are designated by gender, the designation shall continue with the Platform Committee, then the Rules Committee.

- (1) A separate election shall be conducted for membership on each standing committee.
- (2) The male and female membership of the standing committees shall be as equally divided among the men and women as possible under the state allocation; the variance between men and women in any committee or among the three committees in aggregate shall not exceed one. *(Call VII.E.2)*
- (3) Gender non-binary committee members shall not be counted as either a male or female, and the remainder of the delegation shall be equally divided between male gender (men) and female gender (women). *(Call VII.E.1)*
- (4) The positions allocated to each presidential candidate on each committee shall be voted on separately, and the winners shall be the highest vote-getter(s) of the appropriate gender.

5. Certification and Substitution

- a. The State Democratic Chair shall certify the standing committee members in writing to the Secretary of the Democratic National Committee within three (3) days after their selection. *(Call VII.B.3)*
- b. No substitutions will be permitted in the case of standing committee members, except in the case of resignation or death. Substitutions must be made in accordance with the rules and the election procedures specified in this section, and must be certified in writing to the Secretary of the Democratic National Committee within three (3) days after the substitute member is selected but not later than 48 hours before the respective standing committee meets, except in the case of death. *(Call VII.B.4)*

But no slate may, by virtue of such endorsement, receive a preferential place on a delegate selection ballot or be publicly identified on the ballot as the official Democratic Party organization slate, and all slates must meet identical qualifying requirements for appearing on a ballot at all levels of the delegate selection process. *(Rule 18.B)*
- K. Proxy voting is allowed at meetings of county, multi-county district or the state assemblies and conventions in Colorado as described in Section II.A.4&5 above. Such proxy voting includes the ability of a delegate who has registered attendance and must leave can issue a proxy. *(Rule 17, Reg. 4.32)*

2. Organizational Structure

- a. An Affirmative Action Committee shall be appointed by the State Democratic Chair on or before March 1, 2019. *(Rule 6.F)*

Colorado has an on-going standing committee called the State Outreach Commission that is in effect year around and active in every election cycle *(CDO Part Two, Article III M 1)*. Although in continuous existence, the membership of the Commission changes with the biennial reorganization of the Colorado Democratic Party to represent each congressional district and each constituency initiative recognized by the state central committee. - b. The State Democratic Chair shall certify in writing to the DNC Rules and Bylaws Committee of the Democratic National Committee the compliance of the State’s Affirmative Action Committee with Rules 5.C, 6.A and 7, and submit the names, demographic data and contact information of the members no later than 15 days after their appointment. *(Reg. 2.2.J)*

 - (4) Ensuring, on behalf of the State Party Committee, that district lines used in the delegate selection process are not gerrymandered to discriminate against African Americans, Hispanics, Native Americans, Asian Americans and Pacific Islanders and women. *(Rule 6.E)*
- e. Financial and staff support for the Affirmative Action Committee shall be provided by the State Party Committee to the greatest extent feasible, including, but not limited to, making available on a priority basis, the State Party staff and volunteers, and covering all reasonable costs incurred in carrying out this Plan.
3. Implementation of the Affirmative Action Plan and Outreach and Inclusion Program shall begin on September 13, 2019, with the distribution of the press kits, and will continue through the end of the delegate selection process. *(Rule 1.F)*

B. Representation Goals

1. In cooperation with the National Committee, the State Party has determined the demographic composition of African Americans, Hispanics, Native Americans, and Asian Americans and Pacific Islanders in the state's Democratic electorate. These constituency percentages shall be established as goals for representation in the state's convention delegation. *(Rule 6.A)*
2. In cooperation with the National Committee, the State Party has determined the demographic composition of members of the LGBTQ+ community, people with disabilities, and youth in the state's Democratic electorate. The State Party has chosen to establish these percentages as goals for representation in the state's convention delegation. *(Rule 7 & Reg. 4.8.C.iii)*
3. Description of the Colorado Democratic Electorate.

African American

For African Americans, the Colorado Outreach Commission delegation goals used exit poll data coupled with data gathered by the 2010 US census and subsequent updates.

The 2010 census identified 201,168 African Americans living in Colorado which makes up 4.0% of Colorado's total population of 5,029,196 (up 25% from 2000). The 2018 estimates from the Census Bureau lists the Black or African American population at 4.5% of the total estimated population of 5,695,564.

The New York Times exit poll of the 2012 presidential election showed that 93% of African American voters voted for Obama and in 2016 Clinton received the votes of 88% of African American voters. Both of these numbers are national exit poll data as the Colorado samples were too small to report details. CNN reported that in Colorado 4% of the 2016 respondents were African Americans.

In 2016, Colorado had 2,855,960 voters cast ballots. Four percent of this is 114,238 African American voters in Colorado. Averaging the national support for Obama and Clinton at 90.5% indicates 103,385 Democratic voters. Dividing this by the 1,338,870 total Clinton votes would indicate that African Americans constitute 7.7% of the Democratic electorate (defined as those voting for Clinton).

Hispanics

For the Hispanic population, the Colorado Outreach Commission established delegation goals using data from the CNN exit polls on the presidential vote in Colorado in 2016 along with data collected in the 2010 census and subsequent updates.

The 2010 US Census identified 1,041,043 Hispanics living in Colorado which makes up 20.7% of the total population. The 2018 estimates from the Census Bureau lists the Hispanic or Latino population at 21.5% of the total estimated population of 5,695,564.

The CNN exit poll of the 2016 presidential vote 12% of the respondents identified themselves as Hispanic and of those, 67% voted for Clinton. However, a more detailed analyses by John Griffin (University of Colorado) and Bryan Wilcox-Archuleta (UCLA) published on The Hill website (02/09/17) determined that the actual rate of Hispanic voter support for Clinton was 83%.

January 2019 data from Voter Contact Services indicates that 12.03% of Colorado voters are Hispanic. In 2016 the total number of voters in Colorado was 2,855,960 of which 12.03% or 343,572 are Hispanic. Multiply this number by 0.83 (for Clinton support) and divide by the 1,338,870 total votes for Clinton gives 21.3% as the Hispanic percentage of the Democratic electorate (defined as those voting for Clinton).

Native Americans

For the Native American delegation goals, the Colorado Outreach Commission is using data collected in the 2010 US Census and subsequent updates and estimates. The 2010 census showed 55,321 persons (an increase of 26.6% from the 2000 census) in Colorado identified as American Indian and Alaskan natives which was 1.1% of Colorado's total population. The 2018 population estimate from the Census Bureau indicates that American Indian and Alaskan native population comprises 1.6% of the total population estimated at 5,695,564.

We have no accurate data for the American Indian and Alaskan native share of the Colorado voters.

Asian Americans and Pacific Islanders

For Asian Americans and Pacific Islanders, the Colorado Outreach Commission established delegation goals using exit poll data, voter file analyses and information collected by the 2010 US Census and subsequent updates and estimates.

The 2010 Census identified 140,817 Asian Americans and Pacific Islanders living in Colorado which makes up 2.8% of state's total population. That number is up 46.0% from the 2000 census. The 2018 estimates from the Census Bureau lists the Asian American population as 3.4% of the total population and the Native Hawaiian and Other Pacific Islanders population as 0.2% of the total. Combined this is 3.6% of the total estimated population of 5,695,564.

January 2019 data from Voter contact Services shows 22,425 Asian American registered Democrats out of a total of 1,007,800 registered Democrats. This is 2.2% of the registered Democrats.

LBGTQ+ Americans

To determine the population of gender and sexual minorities across America, Gallup conducted 206,186 interviews between June 1 and December 30, 2012. This is the largest single study of the distribution of the LBGTQ population on record, and the first time a study has had large enough sample sizes to provide estimates of the LBGTQ population by state. Within Colorado 4,400 people were interviewed and the study found 93.2% of residents identify as straight and 6.8% do not.

A second figure to consider is the tendency of LBGTQ to vote for Democratic candidates. To identify this percentage consider the National Election Poll (NET) conducted by Edison Research in 2012 for ABD, CBS, CNN, Fox, NBC and the Associated Press. The NEP was a massive effort on November 6th, 2012, that collected, through in-person and telephone

interactions, nearly 120,000 interviews within the span of 16 hours. The poll found 76% of LGBTQ voted for Barack Obama in the 2012 General Election.

To calculate the percentage of LGBTQ in the Democratic Electorate, simply take Colorado's 2012 turnout (2,569,520) and reduce it by the population (6.8%), multiply by the percentage likely to vote Democratic (76%) and then divide everything by the number of Obama votes (1,323,101). This yields a LGBTQ presence of 10.0% in the Democratic electorate.

People with Disabilities

No exit poll data exist to help determine the Disability delegation goals. The US Census 2018 population estimates for Colorado show that 7.3% of the state's population under the age of 65 has a disability (based on 2013-2017 survey data).

The Colorado Outreach Commission determined the delegation goals using information from the census bureau surveys and research from the Rutgers School of Management and Labor Relations. The Rutgers School's data is based on an analysis of each state's disability population based on the federal government's Current Population Survey Voting Supplement for November 2016. This analysis indicates that in Colorado 69.0% (an increase from 65.6% in 2012) of persons with a disability voted in 2016.

Youth

For the Youth delegation goals, youth is defined as persons between the ages of 18 and 35. The 2010 US Census identified 367,331 people living in Colorado between the ages of 20 and 24, which is 7.3% of the total population; and 729,538 for ages 25 through 34, which is 14.5% of the total population. Combined, these groups total 21.8% of Colorado's population.

We also looked at the VAN voter file used by the Democratic Party and that the number of registered Democrats age 35 or younger was 333,646 which is 29.4% of the total Democratic registration of 1,133,049 as of January, 2019.

Veterans

The 2018 population estimates from the Census Bureau indicates that there are 376,336 veterans in Colorado out of a total population of 5,695,564 or 6.6%.

Labor

The US Bureau of Labor Statistics reports that in 2017, 11% of the Colorado workforce was represented by labor unions. The Outreach Commission determined that in recognition of the support from organized labor for the Democratic Party that at least two delegates should represent labor.

	Percent in Democratic Electorate	Numeric Goal for Delegation		Percent in Democratic Electorate	Numeric Goal for Delegation
African Americans	8%	10	People With Disabilities	8%	6
Hispanics	21.3%	23	Youth	29.4%	23
Native Americans	1.6%	2	Veterans	6.6%	3
Asian Americans And Pacific Islanders	3.6%	3	Labor	11%	2
LGBTQ+ Americans	10%	8			

4. When selecting the at-large portion of the delegation, the demographic composition of the other delegates (district-level, pledged PLEO, and Automatic) shall be compared with the State Party’s representation goals to achieve an at-large selection process that helps to bring about a representative balance. *(Rule 11.A)*

5. Although the selection of the at-large delegation may be used to fulfill the affirmative action goals established by this Plan, the State Party will conduct outreach and inclusion activities such as recruitment, education and training at all levels of the delegate selection process. *(Rule 6.A.3)*

C. Efforts to Educate on the Delegate Selection Process

1. Well-publicized educational workshops will be conducted in each of the delegate districts beginning in September 2019. These workshops will be designed to encourage participation in the delegate selection process, including apprising potential delegate and alternate candidates of the availability of financial assistance. These workshops will be held in places that are easily accessible to persons with disabilities. The times, dates, places and rules for the conduct of all education workshops, meetings and other events involved in the delegate selection process shall be effectively publicized by the party organization and include mailings to various organizations representative of the Democratic voting electorate. *(Rule 3.A, Rule 3.C & Rule 3.D)*
2. A speakers bureau of volunteers from the State Party, including the Affirmative Action Committee, shall be comprised of individuals who are fully familiar with the process, will be organized to appear before groups, as needed, to provide information concerning the process.

4. The State Party will publish and make available at no cost: a clear and concise explanation of how Democratic voters can participate in the delegate selection process. As well, the State Party shall also make available copies of the State Party Rules, the Delegate Selection Plan (and its attachments), the Affirmative Action Plan and Outreach and Inclusion Program, and relevant state statutes at no cost. Copies of documents related to the state's delegate selection process will be prepared and the State Party and Affirmative Action Committee will distribute them in the various delegate districts not later than November 30, 2019. *(Rule 1.H)*
5. Participation in the delegate selection process shall be open to all voters who wish to participate as Democrats. Democratic voters shall be those persons who publicly declare their Party preference and have that preference publicly recorded. *(Rule 2.A)*
6. The State Party shall take all feasible steps to encourage non-affiliated voters and new voters to register or enroll, to provide simple procedures through which they may do so and to eliminate excessively long waiting periods for voters wish to register or to change their party enrollment status. *(Rule 2.C)*
7. The Affirmative Action Committee will develop a State Party strategy to be implemented beginning September 13, 2019, that will provide education programs directly to voters who continue to experience confusing timelines for registration, changing party affiliation deadlines, or lack of awareness of the process for running for delegate, to ensure all

Democratic voters understand the rules and timelines and their impact on voter participation. *(Rule 4.B.5)*

D. Efforts to Publicize the Delegate Selection Process

1. The State Party shall direct special attention to publicizing the delegate selection process in the state. Such publicity shall include information on eligibility to vote and how to become a candidate for delegate, the time and location of each stage of the delegate selection process, and where to get additional information. The foregoing information will also be published in the State Party communications and on the State Party's website. The Party organization, official, candidate, or member calling a meeting or scheduling an event, shall effectively publicize the role that such meeting or event plays in the selection of delegates and alternates to the Democratic National Convention. *(Rule 3.C & Rule 3.D)*
2. The State Party shall have a Delegate Selection Media Plan for using all available and appropriate resources, such as social media, websites, newspapers, radio and television, to inform the general public how, when and where to participate in the delegate selection process. Specifically, the Delegate Selection Media Plan will provide details as to how to qualify to run as a delegate candidate. Regular updates should be posted and released throughout the state's delegate selection process to ensure broad and timely coverage and awareness about the process to all interested persons. *(Rule 4.B.3 & Rule 6.D)*
3. A priority effort, as described in the Delegate Selection Media Plan, shall be directed at publicity among the Democratic Party's constituencies.
 - a. Information about the delegate selection process will be posted on and made available to social and specialty media directed toward the Democratic constituency groups set forth in the introduction of this Affirmative Action Plan and Outreach and Inclusion Program.
 - b. The State Party shall be responsible for the implementation of this publicity effort. For purposes of providing adequate notice of the delegate selection process, the times, dates, places and rules for the conduct of the presidential primary election, precinct caucuses, county assemblies and conventions, congressional district assemblies and conventions and the state assembly and convention. These events shall be effectively publicized, multilingual where necessary, to encourage the participation of minority groups. *(Rule 6.D)*
4. Not later than September 13, 2019, the State Party will make information about the delegate selection process available on its website and publicize the resource through press releases and communications to Party leaders, activists and targeted constituencies. Information to be posted on the website will include:

- a. materials designed to encourage participation and inform prospective delegate candidates;
- b. a summary explaining the role of the 2020 Convention in nominating the Party's Presidential and Vice Presidential candidates and adopting the National Platform;
- c. a summary of the State Party's delegate selection process including all pertinent rules, dates, and filing requirements related to the process;
- d. a map of delegate districts and how many delegates will be elected within each district, along with filing forms or information on how to obtain the filing forms.

E. Obligations of Presidential Candidates to Maximize Participation

1. Presidential candidates shall assist the Colorado Democratic Party in meeting the demographic representation goals reflected in the Affirmative Action Plan and Outreach and Inclusion Program. *(Rule 6.H)*
2. Each presidential candidate must submit a written statement to the State Democratic Chair by February 1, 2020, which indicates the specific steps they will take to encourage full participation by their supporters in Colorado's delegate selection process, including, but not limited to, procedures by which persons may file as candidates for delegate or alternate pledged to the presidential candidate. *(Rule 6.H.1)*
3. Each presidential candidate must submit demographic information with respect to all candidates for delegate and alternate pledged to them. Such information shall be submitted in conjunction with the list of names approved for consideration as delegate and alternate candidates pledged to the presidential candidate. *(Rule 6.H.2)*
4. Presidential candidates shall use their best effort to ensure that their respective delegates, alternates and standing committee members shall achieve the affirmative action goals reflected in the Affirmative Action Plan and Outreach and Inclusion Program and that the number of men and the number of women in their respective delegations shall not differ by more than one (as determined by gender self-identification). Furthermore, presidential candidates shall use their best efforts at the district level to approve delegate, alternate, and standing committee candidates who meet applicable equal division and affirmative action considerations to promote and achieve the state's affirmative action, outreach and inclusion goals and equal division for their respective delegations. *(Rule 6.C., Rule 6.I & Reg. 4.10)*

F. Outreach and Inclusion Program

1. The Colorado Democratic Party is committed to help achieve full participation of those groups of Americans who have historically been explicitly denied the right to vote or who have been subjected to discriminatory and exclusionary practices that have denied them voting rights and full participation in the delegate selection process and other Party meetings, events and elections, along with other groups of Americans who are also underrepresented in Party affairs.
2. As such, the Colorado Democratic Party has developed outreach and inclusion programs and is committed to fully implementing the programs so that all persons who wish to participate as Democrats understand they are welcome and encouraged to be a part of the delegate selection process and in the Party at the local, state and national levels.
3. The State Party will make accommodations to facilitate greater participation by people with disabilities. These include, but are not limited to: ensuring that meeting facilities are ADA compliant and provide seating space for wheelchairs, a sign language interpreter, and voting assistance as needed.
4. In addition to the education, publicity and other steps described above, the State Party will implement the State Outreach Plan and monitor the efforts of county parties to implement local outreach programs.

Morgan Carroll, State Chair
Colorado Democratic Party
789 Sherman Street, Suite 110
Denver, CO 80203

Dear Chair Carroll:

Thank you for your recent proposal to amend your state's Delegate Selection Plan. As you know, on November 25, 2019, the Colorado Delegate Selection Plan was found to be in full Compliance by the Rules and Bylaws Committee. Once a Plan is found in compliance, Rule 20.E and Regulation 2.9 requires that any amendments to the Plan must be submitted to the Rules and Bylaws Committee for approval before implementation.

This letter is to inform you that the proposed amendments to postpone the delegation meeting from 4/25 to 5/24 and the presidential standing committee member filing deadline from 4/22 to 5/21 are approved.

We recognize that State Parties are working creatively to implement and manage party activities, including the delegate selection process, during this time of crisis. We appreciate the hard decisions you are making and your willingness to modify your process in a manner that still provides for the delegate selection process to move forward with as few interruptions as possible.

As states explore virtual participation for various steps in the delegate process, and because there is no technology that can be completely secure, our recommendation is that states use as low tech solutions as practicable in conducting the delegate selection process. The DNC's Technology and Security Departments have provided guidance to State Parties on this matter and you can find a link to all of the resources we've shared [here](#).

Please submit a revised Delegate Selection Plan or an addendum to your Plan incorporating these amendments so that we can have an updated version for our records.

We appreciate all you are doing to ensure that your delegate selection process is carried out in a manner that is inclusive, while at the same time considers the safety of all participants.

Sincerely,

Lorraine C. Miller
